

Akkusativ üben

Erzählen Sie den Kindern die Geschichte vom Affen, der im Zoo (vor allem) Tiere beobachten.

Legen Sie die große Hasenkarte in die Mitte vom Tisch. Legen Sie außerdem die Artikelkarten untereinander (1. Reihe: Wer?, 2. Reihe: Wen?).

Legen Sie die kleinen Bildkarten verdeckt vor das Kind. Das Kind zieht eine Karte. Fragen Sie zuerst: Wer ist auf dem Bild zu sehen? Helfen Sie dem Kind ggf.

Sagen Sie dann: Der Hase beobachtet den/die/das ... (nennen Sie den korrekten Artikel und das Wort).

Fragen Sie dann: Wen beobachtet der Hase?

Das Kind soll dann antworten: Der Hase beobachtet den/die/das ... (korrekter Artikel und das Wort).

Bei der nächsten Wiederholung kann das Kind vielleicht schon gleich den richtigen Satz nennen.

Schriftliche Aufträge:
